### Additional Notes

Please note that Nursery children do not change clothes for indoor physical activities. In Early Childhood additional socks and footwear are not needed as the activities are conducted barefoot in order to develop each child's vestibular balance. The ISA School Store sells some rainproof clothing and can provide information about other locations to purchase some of the above clothing items. The store also sells thermos flasks that can be used to keep food hot or cold.

**PLEASE MAKE SURE THAT ALL ITEMS ARE CLEARLY LABELED WITH YOUR CHILD'S FULL NAME AND REPLACED IF LOST.**
